

# Storm Armour vs Sandbags

	 Storm Armour	Sandbags
<b>Installation:</b>	Installs in minutes, one person required	Hours, depends on weather and availability of labor
<b>Effectiveness:</b>	99% without blocking entry and exit	Water seeps in since there is no seal, while entry and exit is blocked
<b>Product Life:</b>	Approximately 5 years	One time use
<b>Environment:</b>	Exterior can be used repeatedly	Must be disposed of in an environmentally friendly way
<b>Safety:</b>	Passed the projectile test	The sandbags can topple, which is extremely dangerous
<b>Cost:</b>	Comparable
